

LA ROSE DU TAILLAN

Passionnée

For the anecdote...

This collection is a true olfactory, visual and emotional experience. The flowers' queen is an ambassador for women and our park's biodiversity. Each color of rose has a meaning and a message to convey. Praised since antiquity by the greatest poets, roses express Love. The pinker the shade, the more it expresses sweetness, joy and gratitude. Thus, La Rose du Taillan Joyeuse was born.

AOP:

Haut-Médoc

Bleding:

60% merlot 40% Cabernet Sauvignon

Harvest:

14/09 to 29/09/2020.
Average yield of 29hl/ha.

Vinification:

La Rose du Taillan is a unique wine, respectful of the earth. A wine worked on the fruit and the purity.

Tasting

Intense nose, floral: on notes of violet and fresh fruits. Charming, easy to drink and well balanced. A soft attack and a coated middle palate. A beautiful structure.
