

Ho ho ho, already Christmas season

“Millésimes”

Three different vintages told according to three Château du Taillan' stories.

Cuvée des Dames 2010

100% Merlot.

Candied cherries, prunes, slightly cocoa and spicy on the nose, rich in the mouth with present but melted tannins and a slight freshness on the finish. A perfect match for a grilled rib of beef or a platter of mature cheeses. 2010, a year that is rare and never ceases to be talked about.

Château du Taillan 2015

70% Merlot, 20% Cabernet Sauvignon, 10% Cabernet Franc.

This wine has a very dense cherry red colour. The nose is open with aromas of red fruits and brioche and vanilla notes characteristic of very mature years. In the mouth, the attack is soft and velvety. The evolution is fleshy with a certain freshness. The tannins are present but well integrated. Good length. A very attractive and charming vintage.

La Rose du Taillan Passionnée

50% Merlot et 50% Cabernet Sauvignon.

Intense, floral nose with notes of violet and fresh fruit. Charming and easy to drink, well balanced. A soft attack and a coated mid-palate. A beautiful structure. This wine can be enjoyed today with a pie, a vegetable gratin or red meat.

Now it's time for the tasting so that they can tell you their stories...
